Message from the President

I'm not sure where the summer went, but in between busy schedules, the club membership enjoyed a few summer activities worth noting. The annual Rail Trail Ride led by Rick Resh; the annual picnic which was held at a new location, the Douglas Pond in Red Lion as arranged by Chip and Robin Konrad; and, the Moonlight Boat Ride at Lake Redman. For those who missed out on the Moonlight Boat ride, Luann Snyder to her credit, endured foul weather and a wedding rehearsal dinner which forced a change in dinner plans.

A big THANK YOU goes out to all the members who helped plan and arrange the outings and to the members who participated and brought food to share.

Our focus this year is on building our membership base. Club sustainability requires membership involvement regardless of how large or small the organization. You will notice this year that we have a slate of new trip leaders willing to take the plunge and get more involved. I challenge each of you to do the same.

The York Ski club strives to continue to increase our membership by offering a variety of destinations and empowering new trip leaders. Leading a trip can be a lot of work, but may provide perks and can be very rewarding. If you have ideas or suggestions for a new destination that you would be interested in, please let us know. We welcome new adventures! Additionally, if you know anyone that might be interested in our club activities and meeting some new friends, invite them to a meeting.

As a part of our club renovations, the board is reviewing options for a new website design. A request for proposals (RFP) was issued in June and publicized on Craig's List and the Community Courier. Forty-four responses were received. If the board continues to move on the idea, a new website will be functional by Thanksgiving. By creating a fresh design and integrating with mainstream media such as facebook and email blasts, we hope to create further interest and increase membership which is necessary for survival of the club.

This year marks the York Ski Club's 36th anniversary! I look forward to a new season and hope to see you at the September Meeting to be held on September 20th at Tailgaters Grille & Draffthouse.

Remember the September meeting is trip sign up night and Pizza will be provided by the club.

Member Spotlight - Dave Rainone

This Month's Member spotlight is on a long time member of the York Ski Club. Contrary to popular belief, he is not on the "No-Fly" list, and not running amuck in a German Biergarten. He is alive and well, fine tuning the art of local craft brewing.

A Tip-of -the- Hat to Dave Rainone.

I have been married to Siri Clemetsen Rainone for almost 24 years and we currently have 2 miniature schnauzers named Ellie and Nytro. Since May 9th of this year, I have been employed full-time on a temporary basis as the Controller at Lancaster Country Day School. I am also employed at Mr. Steve's Homebrew Shop and Uller's on a part-time basis. My hobbies include skiing, biking, beer & wine making. Siri and I are planning on moving to Michigan soon where I plan on opening my own homebrew shop.

Moonlight Boat Ride—Lake Redman; York, PA Friday Evening, August 19, 2011

24 participants turned out to enjoy the serenity of Lake Redman after dark. The first 1½ hour was free time to explore nocturnal life. Then, Jeri Jones, York County Parks Program Coordinator, met us on the lake to present a 30-minute astronomy tour of the sky, constellations, planets and moon.

Before the moonlight boat ride, a group of 18 York and Baltimore Ski Club members and friends met for dinner at Pomodoro's Italian Restaurant in York unsure if the plans to go out on Lake Redman would materialize after a very volatile rainy afternoon. At 7:00 pm, I received a call from Park Ranger to let me know that we were cleared for the boat ride. After boating, participants enjoyed ice-cream sundaes, Milky Ways and refreshments. A good time was had by all.
