Board Meeting

April 24, 2012

Message from the President

Dear Ski Bums,

The Summer Activity schedule has been issued, but as I mentioned at the March meeting- there are more activities to be added. We are planning some cycling events in coordination with M. Gavin's trips, as well as some additional paddling trips. As these activities are scheduled, they will be placed on the web-site and facebook.

Summer Socials Scheduled: April 17th --6pm at Arooga's
(Camp Betty Washington-Used to be Al Dante)
May 15th --6pm at Ruby Jades (the old Cove)

Plans are underway in scheduling our summer picnic in August...

Finally, a big THANK YOU goes out to Luann Snyder for her dedication and commitment to scheduling our speakers this year... She has brought different ideas and thoughts forward and for that we are thankful.

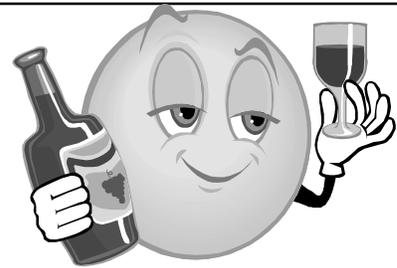

Remember to support our sponsors,

Scott

**Spring Rail Trail Ride/Wine Tasting
Saturday, May 5, 2012**

The York Ski Club invites all to join us for a bicycle ride on the York County Rail Trail on Saturday, May 5, 2012. We will leave promptly at 10:00 a.m. from the Seven Valleys Parking lot off Church Street (SR214).

We plan to ride about 90 minutes south to New Freedom Rail Station (with restrooms). On the return trip, we will be stopping at the Four Springs Winery (50 Main Street) in Seven Valleys around 1:00 p.m. for wine tasting. New this year, we will be "tailgating" in the parking lot behind the winery. Parking is limited, so please carpool to limit the number of tailgates on site. All alcohol consumed on the site must be purchased from the winery. The York Ski Club will provide tables and paper products. Guests should bring chairs and a covered dish to share with others. The club will provide a 3' sub.

If you have any questions, contact Rick Resh (Home Phone: 767-5951) No makeup date has been set for inclement weather. We plan to wine taste, even if we can't bike ride.

Special thanks to the York Camera Center!

A special thank you to Bill and

Chris of the York Camera Center for taking time out of their busy schedules to come educate the York Ski Club's members at the last meeting, on how to take better photos both on and off the slopes. Our Club members now have a better understanding and are more informed about the Camera Center of York, which is a real asset to the community. We all enjoyed the presentation and have a much better understanding of how to take the best shots on the slopes!

Thanks!

Joan D'Elia's Famous Pepperoni Roll Recipe

At Canaan, many people asked for my recipe for the Pepperoni rolls, a staple in West Virginia!

I was required to know how to make them after living there for 15 years so here they are - very simple!

1 bag frozen bread dough rolls (if you dont have time to make your own dough)

2 pkgs of sliced pepperoni

about a 1/2 pound sliced cheese (chedder, pepper jack)

butter

Spray two cookie sheets w/ Pam and place the bread rolls on the sheet to thaw (about an hour). Once thawed, take one and flatten out on the palm of your hand.

Fill the dough with about five pieces of pepperoni and a half a slice of cheese. Roll the dough around the filling and tighten the dough on the bottom to keep the filling inside. Let the rolls rise (a fast way is to heat the oven to 200 and then turn it off; put the pans in the oven about 15-20 min until they have risen)

Bake at 350 for about 15 min or until brown. Butter tops with butter.

Easter Bunny Trivia

Per Wikipedia

Did you know?.....

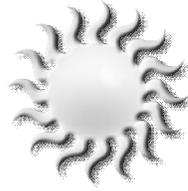

Rabbits and hares are both prolific breeders. Female hares can conceive a second litter of offspring while still pregnant with the first.^[5] This phenomenon is known as superfetation. Lagomorphs mature sexually at an early age and can give birth to several litters a year (hence the saying, "to breed like bunnies"). It is therefore not surprising that rabbits and hares should become fertility symbols, or that their springtime mating antics should enter into Easter folklore.

Now I've heard everything!!!

The idea of an egg-laying bunny came to the U.S. in the 18th century. German immigrants in the Pennsylvania Dutch area told their children about the "Osterhas", sometimes spelled "Oschter Haws".^[citation needed] "Hase" means "hare", not rabbit, and in Northwest European folklore the "Easter Bunny" indeed is a hare, not a rabbit. According to the legend, only good children received gifts of colored eggs in the nests that they made in their caps and bonnets before Easter.^[8] In 1835, Jakob Grimm wrote of long-standing similar myths in Germany itself. Grimm suggested that these derived from legends of the reconstructed continental Germanic goddess *Ostara.^[9]

I wonder if Grimm is the same Grimm as in Grimm's Fairy Tales?

In any case....HAPPY EASTER!

**Retro Day at Roundtop
Sunday, March 11, 2012**

by Rick Resh

Closing day at Roundtop Mountain Resort was on Sunday, March 11, 2012 and York Ski Club held its Sixth-Annual Retro Day. Six members showed up in vintage clothing and skis. They were Lee/ Joann McClellan, Casey Schardt, Rick Resh and Mike/Sue Mummert. Mike even visited Goodwill and picked up a \$4.00 snazzy sweater.

On the way to Roundtop in the dark (due to the time change), the thermometer bottomed out at 20°, but I was grooving to the Byrds "Turn! Turn! Turn!" Yes, the "season's are a changin'" and what a day it turned out to be. Conditions started out great for using my 210cm straight skis, but the snow softened up in a hurry.

Just advertise free food and beer and 30-40 YSC, LSC and SSC members show up in no time. Craig Wentz backed up his Camaro and turned the radio up. Several of us even got sunburned. Unfortunately, the pond skimming was cancelled this year.

A big thank you to Uller's Ski and Snowboard for setting up tents/grills and providing the shot glass ski. A special thanks to Mike Gavin for providing Lift Ticket vouchers so no one had to pay on the last day and to everyone else that brought snacks. Hopefully, Mother Nature will co-operate next season.
