**November Meeting  
Tuesday, November 16**

Killington opened November 2. Are you ready to ski? Are you in shape mentally and physically to hit the slopes? Come out to the November 16 meeting and get psyched for the coming ski season. There is still limited space on our trips but you must decide now if you want to join us on our 2011 trips.

**See you on the 16th at: Ruby Jade's 1500 S George St, York, PA**

Socializing and trip sign up begin at 7:00 pm. Meetings start at 7:30.

Guests are welcome

**A MESSAGE FROM THE PRESIDENT**

The York Ski Club is currently celebrating its 35<sup>th</sup> Anniversary. So how many places has YSC visited on overnight trips? Well we thought it was 72, but at our last club meeting we were reminded about one Windjammer Cruise and a place called Oregon Hill (now Ski Sawmill). Then after the meeting someone remembered all those camping trips to Ohiopyle. Oh well...we've averaged 2 new resorts per year of existence.

YSC has visited both Killington and Greek Peak on 11 different trips. But where has the President skied the most days? Was it Whistler/Blackcomb, Fernie, Jackson Hole or Killington? Find out in next month's newsletter. I will be missing the November club meeting to undergo some minor foot surgery that had to be fit in between the end of mountain biking and beginning of ski season.

We have confirmed rumors that the owner of Ruby Jades is having financial problems. The restaurant has faced a slow down in business due to the weak economy. At this time, we plan to hold our November and December meetings at Ruby Jades. It is important that we have your current email address on record in case we have to contact you quickly. Please contact Don Angstadt at dangst@verizon.net or at 755-5876, with any updated information. Feel free to patronize Ruby Jades on non ski club nights. We are working on a backup plan and exploring other locations. **If you have any ideas, please contact Rick Resh (767-5951).**

I'd like to congratulate the Lancaster Ski Club on their 60<sup>th</sup> Anniversary.

RICK

## Airline Humor

What a pity kulula doesn't fly internationally - we should support them if only for their humour - so typically South African.

Kulula is an Airline with head office situated in Johannesburg . Kulula airline attendants make an effort to make the in-flight "safety lecture" and announcements a bit more entertaining. Here are some real examples that have been heard or reported:

On a Kulula flight, (there is no assigned seating, you just sit where you want) passengers were apparently having a hard time choosing, when a flight attendant announced, "People, people we're not picking out furniture here, find a seat and get in it!"
