Board Meeting:

October 26, 2010

**October Meeting
Tuesday, October 19**

Come out and see what's new at Uller's this season. Craig and his staff will show you what you "must have" for this years ski trips. Uller's is offering several new product lines and will update everyone on the new reverse caber technology for skis and snowboards. And don't forget the importance of a good helmet.

See you on the 19th at: Ruby Jade's 1500 S George St, York, PA

Socializing and trip sign up begin at 7:00 pm. Meetings start at 7:30.

Guests are welcome

A MESSAGE FROM THE PRESIDENT

"Ski It While You Can" was not the winning name voted as the best alternate to our Dump Day Name Contest, but there is a lot of truth to this slogan. Is it because we're getting older and more injury prone? Is it the slow economy cutting into surplus funds forcing you to have postpone one of your favorite activities? Is it global warming, melting glaciers worldwide and shortening winters? Maybe it is time to reflect what is really important in life and "Ski It While You Can" with your friends at the York Ski Club.

In the last 35 years, how many different destinations have the York Ski Club visited? Find out the answer by attending the next Club meeting. You can be part of this history by bringing your checkbook and signing up for one of the 2011 overnight trips.

As I promised last month, I'm starting to release information on Skier Appreciation Days at various resorts for members of the Eastern PA Ski Council. This month see the Mt. Snow, VT article – others will follow.

DUMP DAY DOWN THE DRAIN

At the end of our September trip signup meeting, we circulated ballots to rename "Dump Day". We had two write-in votes to retain the name and another write-in variation that I won't repeat here. There were nine other names submitted. Bert Oberdick actually cast the tie breaking vote. "Snow Daze Craze" (submitted by Rick Resh) beat out "Ski It While You Can" sent in by Jane Sload. Thank you for those who provided other entities. Sorry Dean Cornbower, "Head in the Clouds" did not get any votes. Dump Day is officially down the toilet.
