Board Meeting:

December 21, 2010

**January Meeting
Tuesday, January 18**

**New meeting place.....Subs Unlimited Plus
Beside Tailgaters**

January's meeting will be devoted to hearing all about Belleayre. From Rick Bosco Day, to the comfy and cozy accommodations at the Colonial Inn and of course the skiing. This long weekend trip to New York always has the most interesting stories. More things seem to happen in 3 days on that trip then on our longer ski weeks. So come out and hear what you missed, even if you were on the trip you probably didn't catch everything.

Nominations will be taken at this meeting.

Breckenridge pre-trip meeting starts at 7:00.

Subs Unlimited Plus, 204 St. Charles Way, York, 17402 (off RT 74, Queen St.)

Socializing begins at 7:00 pm. Meetings start at 7:30. Guests are welcome.

A MESSAGE FROM THE PRESIDENT

Ho! Ho! Ho! Where did all the snow go? As we begin a New Year, we have to wonder why its snowing North, South, East and West of York. Maybe, just maybe, Mother Nature is saving it all up for another double barrel February snow event just like 2010. Hey, Farm Show week is right around the corner.

Not to worry, with several weeks of temperatures at or below freezing, local ski and tubing areas are 100% open. Rather than sit around and watch gasoline prices go up; call a friend, get out and spend a great day on the slopes.

With a new year, means a New Year's resolution. Why not run for office and become a member of the York Ski Club Board or volunteer to run or sponsor an event. With declining membership and trip participation, we're looking for fresh ideas, new blood and worker bees. The York Ski Club has reached a crossroads and is in jeopardy of folding unless we re-invent ourselves. We are in need of a Newsletter Editor and could use improvements to our Website. If you have a talent, we probably have a need for your services.

By now you've realized we were forced to find a new meeting location. We plan to meet at Sub's Unlimited Plus, beside Tailgater's, in January and February and we will be back on the deck for our March post trip and awards party. There will be no April meeting in 2011. We had a great turnout for our Christmas Party. Let's keep it up.

Finally, Thank You to those members who donated gifts for our Christmas fundraiser. With your support we raised \$400 for The York County Special Olympics. Have a great New Year and see ya on the slopes real soon.

Rick

BLUE MOUNTAIN BUS TRIP

Thursday, January 20, 2011

Unfortunately Uller's had to cancel this trip due to lack of signups.

SNOW DAZE CRAZE

We are still waiting on Mother Nature (aka Mrs. La Nina) to bring us some cold weather. Looking at the YSC calendar and avoiding overnight trips, the number of open Fridays for our snow bound day trips has been reduced to four possible dates:

January 14, 2011

January 21, 2011

January 28, 2011

February 18, 2011

All we need is some more snow. Is your email address up to date on YSC records?

Thank you for your Christmas Raffle donations

Congratulations to all the lucky raffle winners.

Thanks to everyone for sharing in the fun!

Greeting from Denmark

Traditionally we send out Christmas Cards, but not this year! How come? We'll tell you; we've bought a goat. How does that sound? Okay there's some intelligence behind it; for about \$50,- you can buy a goat which will be given to an African family in Malawi where most of the population is very poor. So the money we normally will spend on stamps and cards have been used for the goat – hope you like it.

2010 have been a fantastic and changing year for all of us. It seems these two statements often go hand in hand for us.

After a freezing beautiful winter and a great ski vacation in Austria, Spring kicked in for Birgit with a new job. Suddenly she found herself in her old shop in Skanderborg, the one she sold when moving to the US, but now as employee and within walking distance from our house.

This Summer Klaes started new school and is very happy about it; Good teachers and super classmates. Since we came back to DK last summer he has been sailing the ZOOM8 dinghy, but has out growing it by now, therefore he has turned to the 29' class, the smaller version of the very fast 49' boat.

It seems that Benjamin can handle a lot; He started his second grade in "Collage" and on top of that he's still working one evening a week at a grocery store, active drummer in Horsens Garden and Samaritans in Red Cross. But that's not enough for this young gentleman; he is now also instructor in the Marching Band and started an education at Red Cross. We are very pleased that he now got his driving license and therefore can bring himself around.

How boring was the job of Kenneth – yag yag! And how fantastic it was when Danfoss called and offered him a job as Business Development Manager with focus on the Russian and Chinese market. That change plus driving the Vette, a ½ marathon and sailing the Laser has made 2010 to a brilliant year.

We went back this summer to see our friends in the US and how great it were to be back and to see them all.

We wish a Merry Christmas and a super fantastic 2011

Best regards the Meier-Andersen family

Special Olympics
