Board Meeting:

May 24, 2011

A FINAL PROCLAMATION FROM THE KING....

As my leadership role is finally coming to an end, I would like to thank all my Board of Regents for their support and assistance over the past six years. With my departure from the throne I have one last duty. By the power vested in me by predecessor Saint Angstadt, I hereby dub Sir Scott of Burford as my successor and request you swear allegiance to our new leader.

A Knight was a term to refer to a warrior in former years, but today it's a person who has been given a royal recognition. In theory, Knighthood can be bestowed by any Monarch. A Knight must adhere to the following virtues:

Mercy	Fear of God
Humility	Faithfulness
Honor	Courage and Graciousness
Sacrifice	Courtesy to the Ladies !

Great Scott meets all the qualities above and will be Knighted and crowned King by thee on September 20, 2011. All my royal subjects are officially invited to attend the coronation ceremonies and reception at the Tailgate Castle on St. Charles Way in the Township of York.

In closing to paraphrase Dave Davies, of the Kinks, from the song, "Living on the Thin Line".

All the stories have been told,
Of the Kings and days of old,
But there is no Richard now.
All the wars have been won or lost,
Don't seem to matter very much any more.
I see change (in the club), but inside
We are the same as we ever were.

Thanks to All,

KING RICHARD

Hot August Blues—August 20, 2011

RETRO DAY WRAPUP SUNDAY, MARCH 13, 2011

Who would have believed it's been 5 years since we started Retro Day. More and more ski areas are adding similar events. Whether it's called Vintage Days or Old Timers Days, they all involve nostalgia and probably some social drinking. Our Retro Day is no different.

Sunday, March 13, 2011, actually turned out to be the last day of the Roundtop Mountain 2010/2011 season. Add pond skimming and you've got a real party. I arrived at Roundtop about 7:15am and there were already 50+ cars in the parking lot. It was already 44° and a robin was sitting on a fence post checking out a new bird bath.

Snow conditions began to deteriorate when the first patroller skied over to the MinuteMan lift. By 9:00am there was a stream flowing behind Exhibition Lift and everyone heading to the RamRod Chair to preview pond skimming. Slush and long skinny skis could be a disaster. Throw in a couple of firm moguls and I realized why I prefer shaped skis.

Several YSC members and guests showed up late, probably due to the time change. By 10:00am Chip Konrad's legs thought it was 11:00am. We didn't last too much longer.

Uller's Ski Shop staff set up tents, heaters and several grills in the upper parking lot. YSC members and Mike Gavin's e-mail riders converged on the tent city and we had 30+ attendees eating and drinking. At one point, Lee McClellan counted only 31 persons on the slopes on the next ridge.

We all had a great time. A Big Thanks to everyone who brought food or liquid refreshments and to Dale Bievenour and Scott Rhoads for donating comp lift tickets. The move to the upper parking lot was a good idea and provided a much safer (no traffic) picnic area.

Plans are in the works for next year's event with several members maybe opting to try pond skimming or wadding. See ya on the slope next season.
