BOARD MEETINGS

MAY 28TH & JUNE 25TH

Ski Scoops

May/June 2013

President's Message

The York Ski Club Board met on April 23, 2013 to finalize the 2012 season and to begin framing up the 2013/14 season. There has been some debate over destinations and trip strategy for next year. We may postpone the bus trip to New England next year and pick it up again the following year. Since bus trips have extensive overhead and upfront costs, the thought behind this strategy is to alternate years to keep the destinations fresh and membership interested. By alternating years, this gives us the opportunity to be more creative with car pool trips, and opportunities for additional western trips in the off-years. Board Members: Mike Oberdick, Rick Resh and Mary Amsbaugh traveled to the Philly Travel Show on May 6th to spend time with tour operators, trip leaders and Ski

Resort Representatives. We will apply their experiences as we continue to discuss our options.

It's only May and we are far from finalizing the schedule. Please know that your Board is working hard to identify trips and destinations that bring value and rewards to your membership. Stay tuned..

Over the past several weeks we have developed a robust schedule for the summer. Check out the new listings and join in on the fun. It has been a great year and I hope to see you out and about. We always welcome input, feel free to email or call any Board member with thoughts or suggestions.

-Scott

Val d'Isere, France February 7-15, 2014

This is your year to hit the big one. Val d'Isere, in the southern French Alps, home of Jean Claude Killy, is our European dream destination this year, led by Mike Oberdick. The Val d'Isere/Tignes area forms the enormous "espace Killy", guaranteed to have great snow spread over wide and varied terrain. Approximately 25,000 acres of linked trails with a vertical of 6200 feet and most areas are above the tree line for a fantastic view while you ski.

There are plenty of steeps and off-piste for experts and advanced and lots of groomers for everyone else. The \$2600.00 base package price includes:

- Round trip airfare JFK to Geneva (non-stop!!!)
- Bus transportation and driver gratuities
- 7 nights accommodations at Hotel Altitude***
- Welcome reception
- Breakfast and dinner each day

PLEASE NOTE 6-day lift ticket for \$300 is NOT included in the \$2600

January Weekend Carpool Trip

YSC Board has elected not to return to the Catskills next season. We are looking at Greek Peak, NY and several New England Areas. Greek Peak is currently up for sale. We have already received great proposals for Mt. Snow and Stowe, VT. Holiday Valley and Bristol, NY, alternatives were discussed, but are currently not under

consideration. We're looking at the weekend of January 10-12 or January 11-13, 2014. We may tack on a third night's lodging, for the Vermont options, because of the longer drive. All packages would only have a 2-day lift ticket. Once the destination is selected, we need September 2013 commitments to lock in discounted rates.

EPSC Voucher Program

A benefit of your ski club's membership in Council is the opportunity to purchase lift tickets to a variety of ski areas in the Poconos, New York, and Vermont at a substantial discount, such as: Big Boulder, Jack Frost, Blue Mountain, Bear Creek, Elk Mountain, Camelback,

Bromley, Gore, Whiteface, Jay Peak, Okemo, Pico, Stowe, Mount Snow, Sugarbush, and Stratton. Tickets are intended for the use of EPSC members ONLY. Ticket purchases are limited to use solely within that current season, and a return fee applies for all unused tickets.-published by Ken Foster, Voucher Program Chairperson for the EPSC.
