

## President's Message

We are on the cornice ready to make the first turn of the season. Are you ready to slip into your first run? Or are you the type to "jump to drop" to your first hop turn? We all hope our technique and equipment will react, remember, and perform on our first turn of the season. Enjoy the moment and build from there to the next great runs all season long.

Hopefully by now, Roundtop has the west side of the mountain open. The snowmaking crew resumed last week making snow on top of stockpiled snow from pre-Thanksgiving week. Speaking of opening, I have to thank Terry Holtzinger for providing an opportunity to ski Belleayre Mountain, N.Y. for a weekend. So just jump on a board or skis, to make some turns with the group signed up to go.

Bring and/or invite family or a friend to our Annual Christmas Party and Fundraiser. Donate a gift or 2 to be raffled off. Also, bring your favorite Christmas baked good to share. Lite fare will be provided at 6:30 pm, similar to the September meeting.

Let us not forget our Clubs dedication and support to the Special Olympics. They can always use volunteer help on Thursday evenings during the season. Assistance is needed to help the participants get their ski equipment and clothing on and off. Your sliding on snow ability is not questioned, just your support before and after. If you are able to be on snow to help, please join us. You will be coached on the needed skills and techniques to assist the participants on the mountain. The first meeting night is Jan 3, 2019 at 6 pm, downstairs in the main lodge. Our goal each evening is to have a safe, fun and enjoyable experience for all.

Thank you and have a Merry Christmas and Happy New Year!

Kirk

# TRIP INFORMATION

## Salt Lake City, Utah March 2-9, 2019

**\*\*\*\*\*THIS TRIP IS FULL\*\*\*\*\***

**\*\*\*Final payment is due by 12/18/2018\*\*\***

We will leave Baltimore (BWI) on Saturday morning, March 2nd and fly Delta non-stop to Salt Lake City Utah, arriving late morning. Our return trip on Saturday, March 9th will also be non-stop.

We will stay in a large 10 bedroom, 9 bathroom House in Salt Lake City (Cottonwoods Heights area) near the mouth of Big Cottonwood Canyon. The location is very convenient (20 – 30 minutes) for skiing Alta, Snowbird, Brighton and Solitude. Park City, Deer Valley, and The Canyons are a 35 – 40 minute car ride. Sundance is 45 minutes. Powder Mountain and Snow Basin are about an hour and 15 minutes away.

We will rent two (2)-15 passenger vans and 2 cars for the trip. That gives us lots of flexibility to ski different areas on the same day, and non-skiers can have a car for the day to do whatever they wish.

The cost of the trip is \$1400.00 per person. The trip will go with a minimum of 20 people, and the maximum is 24 people.

This is a first-come, first serve trip. The first installment of \$500.00 is due in July. The next will be \$500.00 by September 18th. The balance will be due by December 18th. The price of the trip includes lodging, airfare, some meals, and rental cars. Lift tickets will be on your own, however, we will buy Superpasses (as a group) for some of the resorts at a discounted rate. The discounted lift ticket price averages approximately \$78.00/ day if you buy a 4 day Superpass, which is good at the 4 closest resorts named above. There is also a separate pass for Park City and the Canyons. More on that at a later date.

If the weather won't cooperate one of the days while we are there, I will lead a one day, spontaneous, Southern Utah trip, to either Arches National Park (and Moab) or Bryce Canyon National Park for anyone who wants to go.
