

# SKI SCOOPS AUGUST 2022

## President's Message

Hot, Hot, Hot, but time to look forward and plan for another great ski season. Days are getting shorter which means ski season is getting closer. For some of us, not close enough. YSC has been in a holding pattern with events. Covid didn't completely shut us down, but put a dent in club members attending meetings and some other events the last 18 months. I am proud to announce the board has decided to put a full pre-season event calendar out. Dates and sites are picked, specific information about formal events will be sent out in a later news blast. After a year of free dues, you must now re-new. Send dues to Terry Holtzinger or pay at the picnic.

YORK SKI CLUB PICNIC will be held on August 28th at noon at Susie Mummert's Family Property where we have held the last 2 picnics.

Food will be served at 1pm with club providing chicken, burgers, hotdogs and the fixings. We ask you to bring a covered dish to share. BYOB is the beverage of the day and club will provide water and iced tea.

There is a swimming pool on site so bring your suits! This is a rain-or-shine event. In case of rain we will meet under a wonderful pavilion. Park in the field under the powerline and bring a lawn chair.

## MONTHLY MEETING:

We will meet the third Tuesday of the month at our regular meeting place Stone Grille. Sept 20, Oct 18, and Dec 18 will be held at this location. Happy hours are 4 to 6 and the business meeting will be held at 7 pm. Light fare food will be provided along with pizza at the first meeting beginning at 6:30. The December meeting will be our annual Christmas party and raffle (more info to follow on this).

Years back we had the local ski shops bring in "what's new" in gear to our fall meetings. A change this year, for the November meeting, we will visit the Uller's Outdoor Store with a pre-meeting food and social meeting at Parma Pizza right next door.

Attendance and participation at fall meetings will give the board some direction on future meeting dates during ski season.

## TRIPS:

We are working on a Utah trip March 1 thru 11, with Indy Pass mountains being the first part of trip and followed with the Epic and other mountains around Salt Lake finishing up the schedule. Participants who sign up will plan and develop a daily schedule, which will dictate the lodging locations.

Willie Nelson type New England trip will be planned for late March. So ON THE ROAD AGAIN after each day of skiing with 16 oz fuel stops to fix the tired legs. Indy Pass Mountains are where we are heading. For the last 2 years we have anywhere from 6 to 14 making some part of the drive-yourself road trip. Plug and play, you decide your time frame and where you want to join the group of crazy diehards to make your turns.

Uller's Outdoors is also running a trip to Europe and their trip leader will advertise the details in our newsletter.

## NEED TO KNOW:

Treasury balance is above \$6000. Our general expenses are just under \$900 per year. So pay your dues. We have not had a general election for board members due to Covid in the last year. So maybe offer to help!

Special Olympics operated as normal this last season with racers only. The state games were canceled due to lingering Covid issues. Practice is still Thursday nights 6 to 8:30 at Roundtop.

Roundtop has a new General Manager - Ted McDowell, welcome.

We appreciate your patience during these Covid games and lack of YSC events and info. The board and I THANK YOU! See you at the picnic!
